the students clarified the opportunity for improvement then they worked as team to student the current situation. They developed an analysis for the cause of the problem and then moved into a theory for improvement.

All the teams were required to write reports on the process and what was going to be actioned to address the problem. They all presented this to an audience on the last day of the training. The students were very impressive in their findings and insights about school issues. Their presentations were presented in a team effort approach and you could certainly see the relationships that were built over the week amongst the teams.

Students can now have more confidence in using processes to address problems as they come up in year level leadership team forums or in our R-12 Student Executive forum. Our teachers have also been part of this training over the last 3 years and are applying the Quality Tools in a range of ways in their classrooms eg class meetings, curriculum delivery, teacher year level meetings and even across a whole cohort of students to address common issues. The flowcharts in the diagram show the extent of the week long program – this is just day 1 and day 2. A great experience for our 60 student leaders. Skills and processes they can use in all life situations whether it be at home or in the community not just school.

Mary Asikas
Principal
placement in a range of Junior School classes. This will occur between Weeks 6-9 of this term. Students have negotiated all details of their placement and availability with staff – just like a real student teacher with lesson plans and feedback. We welcome the buddyng of students across all year levels.

Liz vandenBrink
Head of Junior School

**WALK SAFELY TO SCHOOL DAY**

Thank you Participants!

Thank you to all the parents and students that got involved on our walk to school day on Friday the 23 May and helping Year’s Reception - 7 students ‘be active’. It was a great turnout with over 300 Junior school students, teachers, parents and Year 12 students participating. The breakfast provided was enjoyed by all, with all students eating fruit and a pancake. Also thank you to Woolworths and Hungry Jacks for providing the food and water containers.

**JUNIOR SCHOOL NEWS**

**Yard Play**

Staff in the Junior School East have been collecting data to help us investigate student play at recess and lunch times. The collated results are as follows:

The majority of our students are having fun during break time. Staff will be using this data to explore additional options for lunch time activities.

**Eyes and Vision**

To further support students in the Junior school, we have taken up the offer from “EYES & VISION OPTOMETRISTS” to assess whether a child’s difficulties may be visually related and if a visual assessment by a behavioural optometrist may be required.

EYES & VISION OPTOMETRISTS have offered to test students in Year 3 and Year 5 classes. A teacher nomination form will be filled in for each student to investigate if the child’s vision is affecting their learning.

There are 4 areas:

- Fine And Gross Motor Skills
- Reading Behaviours
- Writing Behaviours
- General Behaviour

**Financial Literacy**

The Foundation’s StartSmart program are offering a series of free workshops to equip students with the confidence and competence to make smart decisions about money by making money management interactive, engaging and fun! They are currently accepting bookings for Term 3, 2014.

The StartSmart Primary program is delivered as 3 separate workshops according to year group and teaches money skills in a way that students can understand and enjoy. Offered throughout the school year our exciting characters ‘Gobbies’, ‘Coach Cash’, and ‘Captain Super Cents’ take students on an adventure in new money skills. Students will learn to identify and understand currency, the difference between ‘wants’ and ‘needs’, the importance of saving and budgeting and how to shop around for the best deal.

More information about the program, its purpose and details for each of the StartSmart Primary workshops is available at the website www.startsmart.com.au/primary

**PE mentoring by Year 12’s**

As part of their integrated learning topic ‘Sports Studies’, Matt Maxwell’s students are expected to teach 4 PE lessons to a Junior class. Students have negotiated their

**SCHOOL VALUE AWARDS - MIDDLE SCHOOL**

In Week 4 the Middle School assembly awards were presented for Academic Achievement and for the first time School Value awards. Congratulations to the following students who received School Value Awards:

SCHOOL SPORTS

On Wednesday 14 May the Open Boys Football team ventured down to Christies Beach for a fierce round 1 knockout encounter against Seaford High School and Marcellin Technical College. The boys came out firing in their first game with a convincing 20 goal win against Seaford High. Jack Glazbrook and James Lane seemed to have the ball on a string throughout the midfield, whilst Kelly Gohl and Alex Messineo also made strong contributions to the scoreboard up front.

In game two, the boys faced a fast, strong and skillful Marcellin Technical College. Despite a sustained four quarter effort, Marcellin came out on top with a comfortable 10 goal win. Amongst the best for Hallett Cove were Brody Trembath, Jake McCreeery, and Decota Marsh.

On Friday 23 May the Yr8/9 boy’s football team had home games against Reynella East College and Wirreanda High School in their round one competition. Unfortunately for the boys they were up against some tough competition on the day and lost both their games.

Thanks go to Adam Stribley for looking after both teams in their endeavour to represent the school in the Secondary School Sport of South Australia knock out competitions.

On Thursday 29 May we had two Open 5 @ side indoor soccer teams compete in round 1 of the SA Open Knockout Championships at Wilfred Taylor Reserve. The girls came out strong and won their first game against Reynella East College 4-1. Our second game against a strong Cardijn side was a tough one we drew 3-3. The girls dominated in their third game against Aberfoyle Park and won 9-1. After these games we finished top of the pool and had another game against Aberfoyle to decide who would play off in the final. We won that game 6-0 putting them into the grand final against Cardijn. In their 5th game of the day they pulled off another convincing win 4-1. Goal scorers for the day: Eden 11, Izzy 10, Maddie H 2 and Tess, Tara and Summer 1 each. Goalie Maddie R did a wonderful job at keeping our goals against us to a minimum. Fantastic team work was displayed by all players and the girls will now represent our school at the State Finals Day later this term. Well done girls.

Our boys competed well to record 1 win, 2 draws and 3 losses finishing 3rd out of 5 teams.

SAPSASA FOOTBALL

Kye Dean, Olly Moore and Wilbur Gohl were selected to represent Southern Valley at the State SAPSASA Football carnival held at West Beach during Week 5 this term. All 3 of these boys represented the district and our school extremely well. Kye Dean co-captained the team and demonstrated great leadership skills. The team won 4 games, lost 4 and had a draw. Congratulations to you all.

Chris Wade
SAPSASA Football Coach

HOUSE SOCCER SUMMARY

Congratulations to all those students who participated so enthusiastically in this year’s House Soccer Competition on Friday 30 May, 2014 (6th in Week 5). The team spirit displayed was great!

Thanks must go to all staff for their assistance in promoting, supervising and coaching on the day, but especially the HPE staff for being so giving of your own time for the entire week to organise and implement the day(s).

Also, it would be remiss of me not to pay a special mention to our House Captains who set-up, coached and played all day. The day would not have been the success it was without their commitment and organisation to your teams.

The camaraderie and enthusiasm displayed from all teams across Years 7-12 was evident and appreciated. All students seemed to have a great time participating in some healthy organised competition.

Congratulations to COOPER who as a result of your talent, competitiveness and team spirit have shot from 4th to 1st in the House Shield at the end of House Soccer. At the halfway point of the year the House Shield remains an open race. Points are still available in Semester 2 in the House football, netball and indoor soccer competitions. Good luck to you all.

Scott Heywood
HPE Coordinator

CROSS COUNTRY

Congratulations to our Year 6 SAPSASA cross country runners. Wilbur, Isaac, Ollie and Josh all successfully represented our school at Thalassa Park on 6 May. Both Isaac and Ollie came in overall second place with Wilbur and Josh placed just outside the top six. Both Isaac and Ollie will now compete for the Southern Valley SAPSASA team and have Wilbur as their back up representative. Each of these boys all ran the 3km race in under 12 minutes and 30 seconds in very rugged and hilly terrain. An amazing effort.

SAPSASA SOCCER

Congratulations to the following HCS boys who have been selected in the Southern Valley SAPSASA Soccer Team:

Lewis Dancer, Reece Harrison, George Hughes, Jye Rogers, Lewis Meaney, Charlie Saunders, Jack Heaven

SAPSASA NETBALL

Congratulations to the following girls who represented Southern Valley SAPSASA at the State Netball Championships in Week 5 of this term:

Neve Bilby, Bethany Wilkinson, Rachel Haren, Carly Treccasi

SAPSASA Football Team

The team won 4 games, lost 4 and had a draw. Congratulations to you all.
INTERNATIONAL PROGRAMS

International Programs has been busy again! This time with a cohort of 6 West Javan teachers here over 3 weeks working shadowing our own teachers.

They have been experiencing a very different culture and way of teaching, along with some fun with the Junior School students! This includes work shadowing individual teachers in the classrooms and attending sessions with Leadership on Australian Curriculum and methodology. The West Java teachers have been visiting classrooms to talk about their country as part of the Australian Curriculum (Asia & Australia's Engagement with Asia).

Students in Ms Wood’s class also ate Indonesian food & learned some Indonesian language.

West Javan Teacher Training Program - with Hallett Cove Junior School students

If you come across these teachers in and around the school, please make them feel welcome and comfortable in our school environment.

We are currently in full swing arranging homestays for the sixteen Year 10 Kashiwanoha High School students and their teacher who are visiting us from 19 – 31 July, and we have just accepted a new Study Tour from Ushiko High School in Japan which has fifteen Year 10 students visiting Hallett Cove School from 19 – 30 August 2014.

Please see advertisement in this Newsletter (below) regarding Study Tour dates and contact Sue Orchard or Sadie Gomer on 8392 1084 if you would like any further information. This is a fabulous opportunity to have someone stay in your own home to share our Aussie lifestyle while offering you an insight into another part of the world!

Sue Orchard
Sadie Gomer
Di Schriever

HOSTING AN INTERNATIONAL STUDENT

Great opportunity to experience another culture with the bonus of $250/week – tax free

Over the next few months there are three opportunities for you to host an international student through Hallett Cove School.

We have the following Study Tours coming to visit us:
- Kashiwanoha High School – Year 10’s from 19 to 31 July 2014
- Ushiko High School – Year 10’s from 19 to 30 August 2014
- Ritsuimekan Junior High School – Year 9’s from 18 Nov to 3 Dec 2014

Please contact Sue Orchard or Sadie Gomer if you are interested or would like more information.

sue.orchard@hcs.sa.edu.au or sadie.gomer@hcs.sa.edu.au

COUNSELLORS CORNER

EDMUND RICE CAMPS

Edmund Rice camps are provided for children of diverse backgrounds facing some sort of disadvantage at home, or at school. We run at 1:1 ratios with many opportunities for personal growth, teamwork and friendships in a safe and supportive environment. The camps are coordinated by a team of young adult volunteers, so are definitely full of fun! We have two camps coming up later this year that a few kids could be involved in. The July mega-camp would be junior school kids aged 8-11, while our mega-camp in Sept/Oct would be kids 11-14 years old. Both camps are run during the school holidays.

Email Emma for more details: Emma Caldwell: emma1caldwell@hotmail.com

GIRLS GROUPS / COVE YOUTH SERVICE

Girls who are aged from 11 to 16, there is a Girls Group running from the 1st May to 3rd July (Term 2) on Thursday afternoons from 3.30 – 4.45pm at Cove Youth Service. Participate in fun games and activities, make new friends, learn how to build confidence and make healthy positive choices in a supportive and safe environment. Join at any time! Registration forms required. All information on the website www.marion.sa.gov.au/youth or ph 7420 6449.

Cove Youth Service
11/1 Zwerner Drive, Hallett Cove 5158

FOCUS DAY PROGRAM

Hallett Cove Focus Day Program - engaging our school community in our National Safe School Framework.

Term 1: Harmony Day
Term 2: HCS Day of Action
Term 3: RUOK Day
Term 4: White Ribbon Day

June
- Governing Council Meeting Tuesday 17 June, 6:30pm
- Yr12 Mid-Year Exams Monday 23 – Friday 27 June
- Yr10 Assessment Week Wednesday 25 June – Friday 4 July
- Volunteers Training Thursday 26 June, 1:30pm

July
- Yr11 Exam Week Monday 30 June – Friday 4 July
- End of Term 2 Friday 4 July, Early Closure 2:10pm

Pupil Free Day - Australian Curriculum Monday 21 July

Term 3 Begins - Students Return Tuesday 22 July
- Yr10 Subject Info Sessions (L1-4) Wednesday 30 July
- PACT Parent Info Evening Wednesday 30 July 7pm
- Yr11 Subject Info Sessions (L1-4) Thursday 31 July
- Junior School Tour Wednesday 6 August 9am
- SACE Info Evening Wednesday 6 August 6pm
- Career Expo Wednesday 6 August 7pm
- Governing Council Meeting Tuesday 12 August 6:30pm
- Yr9, 10 & 11 Course Counselling (No school for Yrs 9, 10 & 11 on this day) Wednesday 13 August 1:00-8:00pm

DIARY DATES
Year 9 Teachers Planning Day
On Thursday the 29 May the Year 9 Home Group teachers focussed on the ‘Probletnut’ they initiated at the Quality Learning Professional Development they participated in late last term:

‘What would be the perfect way to support students to achieve their very best?’

Since the training teachers have been gathering data from students to inform future directions on:
- Teacher and student expectations
- Successful tools to scaffolding learning
- How they learn best

Teachers collated the information and analysed the data and made recommendations to try with students from the two causal factors identified, quiet classrooms and clear instructions. In response the Year 9 Home Group teachers will be exploring creating ‘Calm zones for learning’ and utilising a range of Quality Tools and strategies to ensure students have clear instructions and a better understanding of assessment tasks.

We will be collecting and collating data from students over term two and three and examining the impact of the new approaches and sharing with colleagues and students.

Julie Lambert
Head of Middle School

Senior School News

Year 12
We are coming to that time of the year again when a range of issues tend to get on top of some of our Senior School students. The pressure of Year 12 subject requirements increases and students are faced with their mid-year examinations. It is important, in times such as these, that student, parents/caregivers and the school community works in partnership to support our young people.

At Hallett Cove School students are very fortunate to have a strong, active and supportive Senior School team available to support students and their families. Open communication is essential. Students may ask for extension to deadlines or seek additional assistance from their subject teachers. Home Group teachers, Year Level Managers, Student Counsellors, subject teachers, etc are keen to hear from students who need some additional support.

Year 12 Mid-Year Exams - The Year 12 Mid-Year Exam Week will be held in Week 9 of this term (23-27 June). Parents and students will be issued with the exam schedule and a covering letter which outlines the expectation of this important week. Year 12 students will only be required to attend school when they have a scheduled exam or at times negotiated with subject teachers. A reminder - Year 12 students are expected to wear their correct school uniform when they sit for their Mid-Year exams.

Year 11
Year 11 students are in the process of completing their first semester of SACE. This is a busy time as students are completing their final assignments for each subject and many students will soon be facing their end of semester exams.

Year 11 End of Semester Exams - The Year 11 End of Semester Exam Week will be held in Week 10 of this term (30 June-4 July). Parents and students will also be issued with the exam schedule and a covering letter outlining the expectation of this week. Year 11 students will only be required to attend school when they have a scheduled exam. Students are expected to wear the school uniform when they sit for their end of semester exam.

Year 10
Year 10 Assessment Week - Year 10 students will be involved in a formal assessment week in Week 9 and 10 of this term (Wednesday 25 June - Friday 4 July). During the Assessment Week students will be involved in formal assessment tasks for each of their subjects. These assessment tasks may take the form of an exam, practical task, etc - the exact nature of the assessment task will depend on the nature of the subject. Students will be informed about the structure of each task and the date that the task will occur by each of their subject teachers. It is important to note that the results of the formal assessment tasks will form part of the end of semester assessment.

Year 10 students are expected to attend their scheduled classes and to participate fully in the formal assessment tasks.

Year 10 Work Experience - It is wonderful to see that many Year 10 students have organised their work experience placement for next term. It is important to remember that the work experience placement will be formally assessed as part of the compulsory SACE subject. The Personal Learning Plan (PLP). If students are still struggling to find a suitable work experience placement please contact Ms Di Schriever (Year 10 Manager) or Mr Tony Nicholls (VET Co-ordinator) for support with this matter. The dates for the Work Experience Week are 18-22 August (Week 3, Term 3).

Year 10 Ski Trip (18-22 August) - there are still 3 vacancies available for Year 10 students who would like to participate in this year’s Ski Trip. If you are interested and would like further information please contact Mr Steve Blenkinsop at school.

Year 10 Lap Tops – a reminder to those parents who opted for the ‘non-take home’ agreement that students are not to take their laptops home. Unfortunately, there are some students who are part of the ‘non-take home’ group that are taking their laptops home. Ms Schriever will be issuing invoices to parents of students who continue to take their laptops home.

All other laptop users are reminded that they need to ensure that they bring their laptop to school fully charged and ready for learning.

Ms Anne Thornton
Head of Senior School

Help Make Marion Green

Do you have an idea for your neighbourhood that will lower water use, energy use or waste? Do you want to change how our community travels or encourage others to live sustainably?

honOUR | CommitmEnt | success
We are well into the Term 2 now with lots of yummy hot foods available for those cold Winter days. Every day there is something different to have so check out the menu to see the pasta and/or rice dishes. All JP families should have the new price list, it is updated regularly to the school website (some prices have changed already) (Go to About: Canteen Information and have a look at the Menu.)

One of our long term volunteers Kath Brown recently won a Foodland $200 voucher for herself and also a $200 voucher for her nominated sporting club, school or community club. The Canteen was the lucky recipient of this so we plan to use it for new equipment to help us provide yummy, healthy food options. A big thank you Kath we really appreciate your nomination.

If you have any ideas, suggestions or concerns about your child’s dietary needs or the food available then please don’t hesitate to call us or email (canteen@hcs.sa.edu.au) or just pop in and have a chat we would love to see you.

Polly Jarrett
Canteen Manager
canteen@hcs.sa.edu.au

Fax: 83816713

Our next opening is on Wednesday 25 June, Week 9, in room 305, between 3.10pm and 3.45pm, cash payments preferred please, no eftpos facility available.

WANTED: small winter tartan skirts, for Junior school students

The Secondhand Uniform Shop has a selection of school uniform items from Junior School through to Senior School. We have polo tops, wincheaters, PE tops, shorts, skirts, long pants for girls and boys and a few summer dresses and rugby tops.

If you have any unwanted “school uniform” please consider donating or selling them through the Secondhand Uniform Shop. Items can be brought along on the days we are open or left at the Front Office. Please include name, address, contact phone number and price you are willing to sell for.

We are also accepting secondhand TI-84 Graphics calculators on consignment. They can be dropped off when the shop is open or through the Cashiers Office.

Sandy, Kylie & Mandy
P & F Committee

The Cove Soccer Club is looking to recruit up to 3 players from Years 8/9 born in the year 2000 to play soccer for the U14’s in the JPL Club Competition. Any player wishing to come and have a trial at The Cove Sports & Community Club can do so by contacting the junior.director@thecove.com or ring the club on 8381 5411, qualified coach and equipment is provided.

This is your local club. Come and give it a try, the team is in the league and plays every week.

Kind Regards
Gary Potts
