2018 SOCCER PROGRAM AT HALLETT COVE SCHOOL for Year 8, 9 and 10 male and female students

Trials to be held on Thursday 31st August 2017
(Please fill in the Application Form if interested)

The Soccer Program is delivered as part of the Australian Curriculum as your child's normal HPE lessons. Students with a personal interest for soccer will be applying their passion through the Australian Curriculum in their HPE lessons, delivered through a soccer context.

The Soccer Program is a mixed gender program so both boys and girls have the opportunity to pursue their interest in the sport. The school will compete in a variety of Interschool Competitions. The school exposes students to boys' soccer pathways (state and national) and girls' soccer pathways (state and national)

This program is planned with rigor and includes –

- training/accreditation opportunities
- a career path component in the Sports Industry eg sports trainee, sport & recreation
- strong community links with Cove Soccer Club and FFSA (Football Federation South Australia), coaches in the school, promotion of HCS in the sports club, finding community coaching opportunities.

Program Vision Years 8 - 11

For the Year 8 and 9 students, the course is designed to prepare the player with the knowledge and competency of the technical fundamentals of the game of soccer. It offers both boys and girls an opportunity to pursue a comprehensive study of soccer by imparting a high level of expertise in theoretical knowledge, technique and skills, fitness and game awareness.

As students progress through the program into senior school, they have exposure to the following opportunities –

- A high level of technical, physical, social and psychological player development
- Specialist coaching from FFSA
- A practical link to a career or part time employment pathway to the Sport and Recreation Industry (VET units) and the attainment of associated certificates and accreditation
- Specific practical strategies to support leadership roles such as player, coach, referee, administrator, trainer or mentor in the school system or the community

Like other focus subjects there are additional costs, including uniforms and association accreditation fees, (including coaching and refereeing courses). The Soccer Program fee will be \$260 (to be paid in full by the end of term 1).

Please read the attached brochure and complete the application form if you are interested in this opportunity for your child in 2018. If you are interested in the soccer AND volleyball programs, please return both application forms by Wednesday, 23rd August (week 5, term 3) and attend the soccer AND volleyball trials on Thursday 31st August (week 6, term 3).

For further information contact Scott Heywood (Soccer Teacher) on 8392 1020. Alternatively email Scott Heywood on heywoods@hcs.sa.edu.au
