2018 YEAR 8 VOLLEYBALL FOCUS CLASS – Trials 31st August 2017

Dear Parent/Caregiver

The Volleyball Focus Program is an important and popular part of the H/PE Curriculum at Hallett Cove School which has grown significantly since its inception in 2005.

In 2018, all Year 8 students attending Hallett Cove School will have the opportunity to be selected for the Volleyball Focus Program.

The aims of the program are to:

- accelerate game knowledge and develop teamwork and commitment
- measure and promote individual skill development and excellence
- promote competition play at local, state and national levels
- provide leadership opportunities through coaching and refereeing

Due to the nature of the program there are additional costs, including uniforms and entry fees for local, state and national competitions. In 2018 the Volleyball Focus Class fee will be \$280.00 (to be paid in full by the end of term 1)

Your child is invited to attend a selection trial after which a place in the program may be offered.

Selection will be based on:

- fitness and physical attributes
- sporting ability (students without volleyball experience will not be disadvantaged)
- current teacher feedback

If you are interested in the volleyball **and** soccer programs please return both application forms by Wednesday 23rd August (week 5, term 3) and attend the volleyball and soccer trials to be held in the Hallett Cove School gymnasium on Thursday 31st August 2017 (week 6, term 3).

Trials for current year 7 students from Hallett Cove School and students from schools not listed below will commence at 9.00am and it is anticipated they will finish at approx. 11.00am. **Students will need to make their own transport arrangements to and from Hallett Cove School.**

Trials for students from Hallett Cove East, Woodend, Sheidow Park and Hallett Cove South Primary Schools will commence at 11.30am and finish approx. 1.30pm.
